Our Vision

Burlington Kids delivers engaging enrichment and recreation opportunities alongside structured academic support in a format that meets each family's afterschool needs.

Program Highlights

Burlington's school district and recreation department collaborate to offer licensed care from the end of the school day until 5:30 at Champlain, Edmunds, Flynn, and Smith Elementary Schools and at the Sustainability Academy every day that kids come to school.

Broad Reach

49% of K-5 students enrolled in our schools participated in the program last year.

Deep Connections

72% of participants were "regular attendees", attending more than 30 days during the school year. Participants attend 145 days per year on average.

Access for All

51% of participants were eligible for free or reduced priced meals at school.
20% were English Language Learners.
57% of participants received financial support to attend.

Expanded Learning

34% of kids received support in Math.
59% of kids attended literacy based activities.
97% of kids experienced health and wellness programs.

Supporting Families

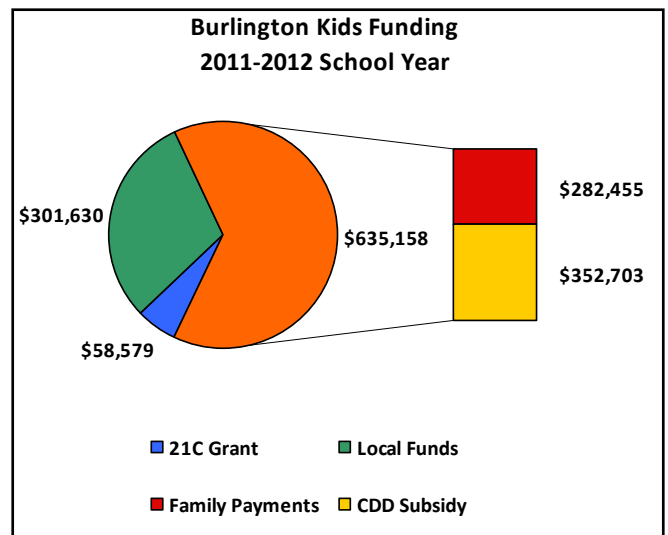

For the second year in a row, more than 95% of parents who responded to our annual survey reported being "Satisfied" or "Very Satisfied" with the program.

Sustaining a Quality Program

A diversified funding structure assures that all students can participate in the full range of program options regardless of their family's economic circumstance. We generate 63% of the budget from program fees.
