

Caledonia North Kingdom Afterschool Programs

WHAT WE DO:

Kingdom Afterschool Provides Opportunities to Youth

- We offer activities and new experiences focused on student skill development, exploration, and opportunities for mastery in a safe, structured environment;

Kingdom Afterschool Supports Student Learning

- We help students improve academic outcomes in literacy, math, and other core subjects;

Kingdom Afterschool Builds Social Skills

- We build student social skills & emotional learning by modeling cooperative grouping & problem solving techniques;

Kingdom Afterschool Builds Connections

- We work to increase positive relations between students, their school, and community.

FUNDING:

- 21st Century Community Learning Center grant awarded by the VT Dept of Education provides 50% of program revenue;
- CNSU schools provide funding through local school budgets (16%) and Title I Consolidated Federal Program dollars (17%);
- Fees charged to families provide 5% of program income;
- Support received from CNSU schools, community organizations & individuals through in-kind staffing & donations.

PROGRAM HIGHLIGHTS:

Kingdom Afterschool serves a large number of students throughout the CNSU

Do Afterschool Programs

Make a Difference?

YES!

Research from the last ten years confirms that students who attend high quality afterschool programs have improved grades and better attitudes towards school.*

*Harvard Family Research Project - Number 10 executive Summary, 2/08, *Outcomes for Students Attending Afterschool Programs*

CNSU and its schools provide educational opportunities without regard to race, color, national origin, sex, disability, religion, sexual orientation, gender identity, marital/civil union status or any other characteristic protected by Federal or State law. CNSU and its schools provide equal access to the Boy Scouts and other designated youth groups.
